UNSTARRED QUESTION NO:5627
ANSWERED ON:03.05.2005
TARGET UNDER AUWSP
Kaushal Shri Raghuvir Singh

Will the Minister of URBAN DEVELOPMENT be pleased to state:

- (a) whether any schemes for the supply of drinking water to the small towns covering less than twenty thousand population are being run by the Government;
- (b) if so, the State-wise details of the target fixed in this regard during the last three years including the current year;
- (c) the State-wise details of small towns having less than twenty thousand population;
- (d) the State-wise details of the said towns to which supply of drinking water has been ensured;
- (e) the details of the arrangements made in the said towns under the Central Government Drinking Water Supply Schemes; and
- (f) the details of the work completed in Rajasthan during the last three years including the work pertaining to the targeted schemes for the current year?

Answer

MINISTER OF PARLIAMENTARY AFFAIRS AND URBAN DEVELOPMENT (SHRI GHULAM NABIAZAD)

(a): Yes, Sir. The Ministry of Urban Development is providing funds to State Govts. for implementation of the Centrally- Sponsored Accelerated Urban Water Supply Programme (AUWSP).

(b): The State-wise details of the towns for which water supply schemes were approved during the last 3 years i.e., 2002-03, 2003-04 and 2004-05 (as on 15.4.2005) are given in a Statement placed at Annexure-I. There is a proposal to subsume AUWSP in a new scheme i.e., Urban Infrastructure Development Scheme for Small and Medium Towns (UIDSSMT) during the current financial year. Hence, there is no likelihood of taking up new projects under AUWSP during the current financial year.

(c): The State-wise details of the small towns having population less than 20,000 as per 1991 Census and as per 2001 Census are given in Annexure-II.

(d): As per information furnished by the different State Governments, water supply schemes for 21 towns have been commissioned during the last 3 years. The State-wise details are given in a Statement at Annexure-III.

(e): Water, that is to say, water supplies, is a State subject under the Seventh Schedule read with Article 246 (3) of the Constitution. It is, therefore, the responsibility of the State Govt. to make arrangements for distribution of water in the towns.

(f): As per information furnished by the State Government of Rajasthan, 2 towns namely Bassi and Jobner in Jaipur District have been completed during the last three years. As reported by the State Government, schemes in 47 towns have not been completed and works are at different stages of implementation in the towns.
